REQUEST FOR EXPRESSION OF INTEREST (REOI)

Consulting services for implementation of Automatic Demand Management Scheme in the State / Distribution Licensee's control area.

- 1) Central Electricity Regulatory Commission (CERC) in their order dated 31.12.2015 passed in Petition No. 5/SM/2014 in the matter of Non-compliance of Regulation 5.4.2 (d) of the Central Electricity Regulatory Commission (Indian Electricity Grid Code) Regulations 2010, directed to implement Automatic Demand Management Scheme (ADMS) in the State Control area by 30.06.2016, which is available in CERC website <http://www.cercind.gov.in>.

The Indian Electricity Grid Code Regulation states as under:

Regulation 5.4.2 (a)

SLDC / SEB / distribution licensee and bulk consumer shall initiate action to restrict the drawl of its control area, from the grid within the net drawal schedule.

Regulation 5.4.2 (b)

SLDC / SEB / distribution licensee and bulk consumer shall ensure that requisite load shedding is carried out in its control area so that there is no overdrawl.

Regulation 5.4.2 (d)

The SLDC through respective State Electricity Board / Distribution Licensees shall also formulate and implement state-of-the-art demand management schemes for automatic demand management like rotational load shedding, demand response (which may include lower tariff for interruptible loads) etc. before 01.01.2011, to reduce overdrawl in order to comply para 5.4.2 (a) and (b). A Report detailing the scheme and periodic reports on progress of implementation of the scheme shall be sent to the Central Commission by the concerned SLDC.

- 2) SLDC now invites eligible Consulting Firms to indicate their interest for providing the services. Interested Consultants require to provide information demonstrating that they have the required qualification and relevant experience to perform the service.
- 3) The scope of the Consulting Service shall include the following:
 - (a) Development of logic for implementation of ADMS as per IEGC Regulation
 - (b) Preparation of technical requirement & basic design.
 - (c) Preparation of bidding document and evaluation of bid.
 - (d) Supervision and testing after implementation.
