NB:-

- Presently all the Vendors enlisted for “TOWER & STRUCTURES FOR LINE AND SUBSTATION AND FOUNDATION BOLT” were Cancelled as per recommendation of 115th BoD held on 20.10.2020. However the EPC contractors may be insisted to place order for supply of structural materials from approved rate contract holder of OPTCL.
- Brand names of lighting fixtures and Steel are to be decided by E&QC Department and the same shall be mentioned in the Tender documents.
- All the provisionally approved vendors to submit their Drawings & Type test report in D3 portal for scrutiny and approval by E& QC Department.
- Vendor who have valid Type test reports of material/equipment as per GTP & TS and are found Techno-commercially responsive for opening of the price bid in CPC procurement through open e-Tenders on or after 01.05.2023 can be considered as approved vendor for EPC Projects, subject to submission of vendor registration fee (Non-refundable) of Rs 40,000/-+ GST@18%=Rs 47,200/- for one item in shape of DD drawn in favour of “D.D.O, Head Quarters, OPTCL”, payable at Bhubaneswar.
- EPC Contractors who are also OEM/manufacturer may supply their equipment/material for the project awarded to them, subject to approval of GTP, Drawings & having valid Type Test Report as per GTP & TS of OPTCL. In this case Vendor approval may not be needed. But if they are willing to be in vendor list of OPTCL for other projects, they have to apply for vendor approval with registration fee (Non-refundable) of Rs 40,000/-+ GST@18%=Rs 47,200/- for one item in shape of DD, drawn in favour of “D.D.O, Head Quarters, OPTCL”, payable at Bhubaneswar.
- Vendor who are empanelled rate contract holder for supply of tower, structure materials and Nuts & Bolt are also be empanelled for GI flats.
- For all GIS- Cable terminations, the selection of termination kit vendor shall be based on the recommendation of the respective GIS manufacturer, subject to the following conditions:a)Submission of complete and valid type test reports as per relevant IS/IEC standards

for the proposed termination kits.(b)Demonstrating compatibility with the GIS design interface(inner/outer cone)and cable design.

*** Firm is hereby approved provisionally for enlisting as approved vendor of OPTCL with a condition. FAs performance certificate was not submitted, Committee has recommended to obtain Separate Performance security for an amount equivalent to ten percent (10%) of the taxable price for PLRI from the EPC Contactor with validity upto 2(two) years beyond defect liability period applicable for item for the projects in which these are to be utilized.

**** Committee recommended provisionally allowing vendors to supply through EPC agencies for ongoing OPTCL projects(own work/beneficiary/deposit) subject to submission of valid Type Test reports as per OPTCL TS, applicable standards, and CEA guidelines.
