

(Manual. 1)

About the organization

Objectives:

- To effectively operate Transmission lines and Sub-Stations in the State for evacuation of power from the state generating stations and Central Sector so as to feed power to state distribution companies, wheeling of excess power to needy states, maintenance of the existing lines and sub-stations to undertake power system improvement by renovation up gradation and modernization of the transmission network.
- Main objects of OPTCL is to carry on the business of transmission and wheeling of electrical energy in the State and elsewhere for which purpose to acquire, establish, construct, erect, lay, operate, run, manage, maintain, enlarge, alter, renovate, modernize extra high voltage, high voltage, low voltage electrical transmission lines and associated sub-stations, cables, wires, accumulators plants, motors, meters, apparatus, computers and materials connected with transmission, telecommunication and telemeter equipment.
- To undertake, for and on behalf of others, erection, operation, maintenance, management of extra high voltage, high voltage low voltage lines and associated sub-stations, equipment apparatus, cable and wires.
- As per provisions under Section 39(1) of the Electricity Act 2003, the functions of OPTCL being a State Transmission Utility (STU) shall be:
 - To undertake transmission of electricity through intra-state Transmission System.
 - To discharge all functions of planning and co-ordination relating to intra-State transmission system with Central Transmission Utility, State Governments, Generating Companies, Regional Power Committees, Authority, Transmission and Distribution Licensees and any other person notified by the State Government in this behalf.
 - To ensure development of an efficient co-coordinated and economical system of intra-state transmission lines for smooth flow of electricity from a generating station of load centers.
 - To provide non-discriminatory open access to its transmission system for use by any licensee or generating company or any consumer on payment of transmission charges-surcharge as may be specified by the State Commission.
 - To restore power at earliest possible time through deployment of Emergency Restoration System in event any natural disasters like cyclone, flood etc.

Mission:

- Transmission of power in large quantity with affordable price as per the expectation of customers, Government of Orissa and OERC.
- Increase transmission network need based, to meet the demand of the state in 2025
- Develop a portfolio of Intra-State and some Inter-State transmission assets in national market including business expansion for evacuation of power outside the state in collaboration with PGCIL and others.
- Adoption of best construction and O&M practices supported by system driven processes enabled by cutting edge IT solution.
- Diversification of business by providing consultations in the areas of construction and maintenance services and also in Telecommunication and other emerging areas so as to achieve optimum utilization of assets for generation of additional revenue.
- Develop skilled and satisfied human resources, fostering a service-oriented attitude to its customers/stake holders and becoming empowered to meet Customer need in the changing scenarios.
- Building Research and Development wing for adoption of new technology Discharge the social responsibility with commitment on Environment protection, Health, Safety, Energy conservation and community Development.
- Achieve excellence in project implementation.
- Practice higher standard of corporate governance and be financially sound company.

Vision:

OPTCL ranks one among the leading Transmission utilities in India. Transmitting quality, reliable and secured power with minimum transmission loss at a competitive price.

Brief History of OPTCL

The State Government enacted the Orissa Electricity Reform Act, 1995 which came into force with effect from 01.04.1996. In exercise of power under Section 23 and 24 of the Orissa Electricity Reform Act, 1995, the State Govt. notified the Orissa Electricity Reform (Transfer of Undertakings, Assets, Liabilities, Proceedings and Personnel) Scheme Rules 1996. As per the Scheme, the transmission, distribution activities of the erstwhile OSEB along with the related assets, liabilities, personnel and proceedings were vested on GRIDCO. Simultaneously the hydro generation activities of OSEB along with related assets, liabilities, personnel and proceedings were vested on OHPC.

In order to privatize the distribution functions of electricity in the State, four Distribution Companies namely Central Electricity Supply Utility of Orissa Limited (CESU), North Eastern Electricity Supply Company of Orissa Limited (NESCO), Southern Electricity Supply Company of Orissa Limited (SOUTHCO) & Western Electricity Supply Company of Orissa Limited (WESCO) were incorporated under the Companies Act, 1956 as separate corporate entities. During November 1998 the State Govt. issued the "Orissa Electricity Reform (Transfer of Assets, Liabilities, Proceedings and Personnel of GRIDCO to Distribution Companies) Rules 1998" wherein the electricity distribution and retail supply activities along with the related assets, liabilities, personnel and proceedings were transferred from GRIDCO to the four Distribution Companies. Through a process of Internal Competitive Bidding (ICB), the four Distribution Companies were privatized during 1999.

After separation of Distribution business, GRIDCO left with electricity Transmission and Bulk Supply/Trading activities. GRIDCO was also declared as the State Transmission Utility and was discharging the functions of State Load Dispatch Center (SLDC).

The Govt. of India enacted the Electricity Act, 2003 which came into effect from 10th June 2003. Under the provision of the said Act, trading in electricity has been recognized as a distinct licensed activity, which can only be undertaken by a licensee to be granted by the appropriate Commission. The Act specifically prohibits the STU and Transmission Company in the State from engaging in the business of trading. GRIDCO being a State Transmission Utility was not permitted to engage itself in the trading in electricity and was required to segregate its activities in a manner within the Transitional period allowed under the Act that, the entity, which will undertake transmission STU, and SLDC function would not undertake the activities of Trading and Bulk Supply of Electricity.

Keeping in view the statutory requirement of the Electricity Act for separation of trading and transmission function in to two separate entities, the State Govt. incorporated Orissa Power Transmission Corporation Limited (OPTCL) to take over the transmission, STU / SLDC functions of GRIDCO.

In exercise of the power conferred under Section 39, 131, 133 and 134 of the Electricity Act, 2003, read with Section 23 and 24 of the Orissa Electricity Reform Act, 1995, the State Govt. issued the notification "Orissa Electricity Reform (Transfer of Transmission and Related Activities) Scheme 2005" on 09.06.2005. The Scheme was made effective from 01.04.2005.

By virtue of the Transfer Scheme, 2005, OPTCL now undertaking the functions of transmission of electricity in the State of Orissa and has been declared as the State Transmission Utility. OPTCL is also discharging the functions of SLDC.

No. GL-Admn-1-4/2010 15580 / Dated, 18.07.2019

OFFICE ORDER

Furtherance to Office Memorandum No. 17152 and No. 17155 dated 22.06.2019 issued by General Administration & Public Grievance Department, Government of Odisha regarding rescheduling of working hours in Offices functioning under the State Government, the following decision have been taken to further improve efficiency in OPTCL:

1. Day - to - day working hours of all OPTCL Offices shall be from 10.00 A.M to 5.30 P.M with half an hour lunch break from 1.30 P.M to 2.00 P.M.
2. Herein after fourth Saturday of every month is declared as a general holiday.
3. Earlier holidays such as Sundays and 2nd Saturday of every month shall continue.
4. First half of every fourth Saturday, which has otherwise been declared as general holiday, shall be devoted by the Functional Directors / Sectional Heads at all levels for deliberation among Executives for implementation of 5 -Ts of governance (Team Work, Transparency, Technology, Time leading to Transformation) and for training / brainstorming sessions relating to innovative ideas for progress and development of the Corporation and the State.

This order shall come into force with immediate effect.
